Frontend Developer(Angular)

www.linkedin.com/in/sudhanshu1k

Sheohar, Bihar - 843329

PROFILE

I have over 3.7 years of experience as an Angular Developer. In this role, my responsibilities include designing, developing, and maintaining large-scale web applications using Angular. I ensure seamless user experiences through responsive and interactive UI/UX implementations. I always create reusable components, perform debugging, and conduct performance optimizations. Additionally, I collaborate closely with the development team and stakeholders to deliver high-quality, scalable, and well-tested code. I stay up-to-date with the latest industry trends and have a strong understanding of deployment using CI/CD practices.

EDUCATION
